

**MOHOC**  
ELITE OPS™ CAMERA

NOW AVAILABLE AT

**BOYDD PRODUCTS**

THE WORLD'S FIRST  
MILITARY-OPTIMIZED HELMET CAMERA

MOHOC believes the world's toughest warriors deserve elite, custom built gear to guarantee mission success.

Conventional sport cameras are not designed for the harsh conditions of military operations. Their awkward shape and high profile hinder movement, create dangerous snag hazards, fail under the rigors of combat, and are difficult to operate while wearing gloves.

The tactically designed MOHOC® Elite Ops™ Camera revolutionizes form-factor, durability, and user interface. It is the world's first military-optimized camera with revolutionary helmet contour. It is mission ready and delivers the smallest, lightest, simplest, and toughest ruggedized camera solution available.

**FULL HD VIDEO**  
1080p @ 60FPS

**DUAL CAPTURE**  
Simultaneously take photos while recording video

**12MP CAMERA**  
Manual, photo burst and time lapse

**SNAG FREE OPERATIONS**  
Low profile, helmet-optimized form factor

**MISSION READY**  
Military ruggedized - 2m drop test

**WATERPROOF**  
Waterproof to 10m

**CURVELOCK™ SYSTEM**  
Contoured to fit combat helmets securely

**ONE TOUCH OPERATION**  
Single finger toggle - ideal when wearing gloves

**LENS ROTATION**  
Level image in any position

**VELCRO® MOUNT**  
Instant secure attachment - no mounting hardware

**LOW LIGHT & INFRARED**  
Auto low light adjustment & IR enabled model

**DUAL POWER**  
Two CR123A or rechargeable Li-ion battery

**DARK-USE SAFE**  
Vibration feedback and zero white light discharge

**WIDE ANGLE & TRUE FOV**  
140 degree non-distorted field of view

**iOS/ANDROID PHONE APP**  
Securely connect, control and stream video wirelessly to the MOHOC® App

**TACTICAL OPTIMIZED**  
**QUICK & EASY OPERATION**

Single button, simple settings, auto record providing stunning 1080p HD video and 12 MP photos.

CR123A, three vibration on and single vibration off tactical feedback, no white light discharge, anti-reflecting lens coating, low light and optional IR recording model.

**MILITARY RUGGEDIZED**  
**RELIABLE & MISSION READY**

The MOHOC® is an IP68 rated camera without the need for an additional accessory housing or bulky case as required by other cameras.

**LOW PROFILE DESIGN**  
**SNAG-FREE OPERATIONS**

The CurveLock™ base of the camera matches the shape of a tactical helmet, and combines with the sleek exterior of the MOHOC® to create the closest possible fit, eliminate snag hazards from foreign objects, and significantly improve the security and simplicity of helmet attachment.
